STATINTL MEMORANDUM FOR:

[Redacted]

Contracting

Officer for the Directorate of
Science and Technology

SUBJECT : Delegation of Contracting Authority to
the Contracting Officer for the
Directorate of Science and Technology

REFERENCE : Memo dtd 18 Aug 72 to Addressee fr D/L,
same subject

1. The Director of Logistics, by referent memorandum, appointed you as Contracting Officer for the Directorate of Science and Technology (DD/S&T) and set forth your contracting authorities. Referent memorandum also authorized you to redelegate such authority to Chief, Special Contract and Procurement Branch, Office of ELINT, and to the Chief, Contracts Staff, Program Management Staff, Office of Research and Development, subject to such limitations as you consider appropriate.

2. Recent reorganizations within the Agency and primarily within DD/S&T have affected technical direction and cognizance of certain work heretofore performed by other Directorates or Offices within DD/S&T. It is recognized that the realignment of the total missions and functions within DD/S&T is not complete and new delegations of contracting authority will undoubtedly be required at some future date. However, in the interim period of transition, it is necessary that Contracting Officers not heretofore involved with Agency-funded contracts and those who previously represented other Directorates receive appropriate authority from you to carry out their immediate responsibilities.

3. Accordingly, you are hereby authorized to redelegate your contracting authorities, as set forth in the referent memorandum, to Chief, Contracts Staff, Office of Development and Engineering; Chief, Contract Management Group, Office of Technical Service; and Chief, Special Contracting and Procurement Branch, National Photographic Interpretation Center, subject to such limitations as you consider appropriate.
